Dear Sirs,

**Re: LAND WEST OF, OXPENS ROAD, OXFORD, OX1 1NL.**

Based on the information you have provided in your request dated 08 April 2011 and the proximity and sensitivity of these networks to your request we have concluded that the risk is NEGLIGIBLE and National Grid has no record of any wayleaves or easements in respect of this land with regard to electricity and gas transmission, however there may still be rights reserved for apparatus or easements granted to utility companies to which it is the legal successor.

To view the risk tables associated with this response, and contact information for working safely in the vicinity of National Grids infrastructure, please visit [www.utilitysearch.com/info.asp](http://www.utilitysearch.com/info.asp)

**IMPORTANT NOTE:** This response is for the national transmission gas and electricity networks ONLY. You MUST also obtain information of local gas and electricity distribution networks.

For Gas distribution please refer to [www.utilitysearch.com](http://www.utilitysearch.com)

For Electric distribution please refer to <http://2010.energynetworks.org/faq-who-is-my-gaselectricity-s/>

If the nature, location or extent of your request changes please submit a new enquiry.

Yours faithfully,

On behalf of National Grid.
